Forward-looking statements

Certain statements in this press release are forward-looking and involve a number of risks and uncertainties, including statements regarding the outlook for the Trust's business and results of operations. Forward-looking statements ("FLS") are provided for the purpose of assisting the reader in understanding the Trust's financial performance, financial position and cash flows as at and for the periods ended on certain dates and to present information about management's current expectations and plans relating to the future. Readers are cautioned such statements may not be appropriate for other purposes. FLS involve known and unknown risks and uncertainties, which may be general or specific and which give risk to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, assumptions may not be correct and objectives, strategic goals and priorities may not be achieved. FLS are statements that are predictive in nature, depend upon or refer to future events or conditions, or that include words such as "may," "will," "should," "could," "expect," "anticipate," "intend," "plan," "believe," or "estimate," or other similar expressions. Statements that look forward in time or include anything other than historical information are subject to risks and uncertainties, and actual results, actions or events could differ materially from those set forth in the FLS. FLS are not guarantees of future performance and are by their nature based on numerous assumptions.

Information contained in FLS is based upon certain material assumptions applied in drawing a conclusion or making a forecast or projection, including management's perception of historical trends, current conditions and expected future developments, as well as other considerations believed to be appropriate in the circumstances. Although the FLS contained herein are based upon what Starlight Capital believe to be reasonable assumptions, Starlight Capital cannot be sure that actual results will be consistent with these FLS. The reader is cautioned to consider the FLS carefully and not to place undue reliance on FLS.

The forward-looking statements relate only to events or information as of the date on which the statements are made in this press release. Unless required by applicable law, it is not undertaken, and specifically disclaimed that there is any intention or obligation to update or revise FLS, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
