

Please find enclosed a Passive Foreign Investment Company (“PFIC”) Annual Information Statement

(“AIS”) for the requested investment fund. The AIS contains information that will enable you, if you choose, to treat the investment fund as a Qualified Electing Fund (“QEF”) for U.S. federal income tax purposes.

Canadian mutual fund trusts are generally considered PFICs under U.S. tax rules. We recommend that all U.S. taxpayer clients consult with their U.S. tax advisors concerning the overall tax consequences of their ownership of mutual fund trusts and their U.S. tax reporting requirements. You can also find information on U.S. tax rules applicable to investments in PFICs and on completing Form 8621 “Information Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund” at <http://www.irs.gov/pub/irs-pdf/i8621.pdf>.

Please be aware that cash and property distributions reported on the AIS are converted into U.S. dollars based on the U.S. Federal Reserve spot rate in effect on the date the distribution is paid. We recommend that clients who do not file U.S. federal income tax returns on a cash basis consult their U.S. tax advisors regarding the appropriate U.S. dollar conversion rate.

Note that the information attached with this letter is intended to help you make one or more QEF elections, if you decide to do so, and neither such information nor this letter constitutes tax advice.

Taxpayers should seek advice based on their particular circumstances from an independent U.S. tax advisor.

If you have any questions regarding this matter, please contact your Financial Advisor, a U.S. tax advisor, or Starlight Capital Client Services at 1-866-782-7536.

Thank you for investing with us.

Sincerely,
